Notes for referees

This grant is to support early career women academics to carry out a small-scale research project on women or issues related to women. Please provide a reference (up to 500 words) for the applicant named above. The information will be used only to assist the GWET Awards Committee in its decision-making in awarding Small-Scale Research Projects Grant. The reference should include:

1. an indication of how long you have known the applicant and your relationship to her;
2. comments of the applicant's experience and capability to undertake the research;
3. benefit(s) to the applicant and her institution of having a Small-Scale Research Projects Award;
4. any other information you think would support her application.

Your statement may be inserted in the space below or attached as a separate sheet.
